-

NOTICE.

The "Agricultural College" Post office has been changed to "Lawley Road" Post office. Correspondents are requested to add "Lawley Road" P. O. on the address, as letters will then be received here by the 1st Madras Mail direct from the Railway station and delivered before 9. A. M. Otherwise the letters are sent to the Head office at Coimbatore and received here for delivery about 12 noon.

The Supdt. District Jail, Tanjore, is responsible for the idea of giving practical agricultural instruction to the convicts in the Jail and has asked for the services of an Agricultural Instructor on Rs. 50 per mensem, temporary for a year, but likely to be permanent.

IMPORTANT NOTICES.

1. *Addresses of ex-Students.*—The list of addresses of ex-Students is very incomplete. One of the duties imposed on the Working Committee here is to maintain and publish a list of corrected addresses. Old students who may happen to know the correct addresses of other ex-Students in their locality are requested to communicate such addresses to the General Secretary, so that this list could be posted up to date.

2. *Application Form.*—Ex-students who have not yet joined the Union are requested to apply to the General Secretary for the Application Form. They are requested to fill up the form and sent it on to the General Secretary along with their Life Subscriptions according to the class of membership they choose to join. The objects of the Union cannot be attained if a larger number of ex-students do not join it. It is not enough in their case if they subscribed for a copy of the journal which is, after all, sold at less than the cost price. Is the appeal made in vain, the appeal based on love to the Alma Mater?
